

United Kingdom Push

Distribution to national, regional and trade media, including national and regional newspapers, radio and television stations, through proprietary and news agency network of The Press Association (PA).

In addition, the circuit features the following complimentary added-value services:

- Posting to online services
- Coverage on PJ Tec PR's media-only website and custom push email service, PJ Tec's for Journalists, reaching 100,000 registered journalists from more than 170 countries and in more than 40 different languages.
- Distribution of listed company news to financial professionals around the world via Thomson Reuters, Bloomberg and proprietary networks.

Releases are translated and distributed in English via PA.
